Other communities may have summer school options available for residents only that you can look into. Additional summer school information is available on our website.

PROCEDURE FOR REGISTERING FOR SUMMER SCHOOL:

- 1) Use the registration form in this mailing (or on website) to register **before registration deadlines**.
- 2) Inform the Counseling Office of where your son is registered for summer school ASAP. E-mail alflen@cbhs.edu or hopkins@cbhs.edu with summer school plans.

WARNING for all NCAA prospects: All summer school courses must be taken at an NCAA approved school in order to count towards your Core GPA. *Please check with the summer school to verify it is approved before you sign up.*
