

Statement of Policy Regarding Dress and Behavior for Benedictine High School Dances

This statement must be signed (at the bottom) and returned before the day of the dance.

As a general policy, all rules and regulations of Benedictine High School are in effect at all school events. Guests are expected to comply with the following policies also.

Specifically, with regard to dress at dances and mixers:

1. The young men who attend the dance or mixer are expected to arrive in appropriate attire. They are expected to remain in that attire during the dance. This includes keeping dress shirts on for the entire evening.
2. The young women who attend the dance or mixer are expected to be attired in a way that projects a look of modesty suitable to a Catholic school setting. The following are examples of inappropriate attire: bare midriffs; see-through tops; expose undergarments; halter tops; plunging necklines; micro-mini skirts; and extremely low-rider slacks or shorts.
3. For both young men and women, the following are not acceptable: excessively baggy pants; clothing that does not cover undergarments completely; clothing that promotes obscenity, drugs, alcohol, tobacco, sex, or violence.

Furthermore, any sort of improper behavior, language, or “dirty dancing”, particularly grinding, will not be tolerated. *All dancing shall be “face to face”.*

Failure to comply with these policies will result in either the student involved not being admitted to the dance or being asked to leave the dance.
