## Men of Benedictine

Who are the Men of Benedictine? They are those devoted students, loyal supporters and Catholic Christian gentlemen and citizens who proudly call Benedictine their home.

They are not just ordinary students who walk the corridors and fill the classrooms of a particular school. They make a building come alive. They stand up and support every activity of the school and their fellow students. They remember their tradition and proud of it - constantly striving to help Benedictine High School grow.

The Benedictine family embraces all. The devoted monks and lay educators, alumni, parents, students – all are one.

The spirit of Benedictine is always noticeable. It permeates the halls and classrooms, and athletic fields. It's that certain feeling that runs through one's body and mind at assemblies that calls one to his feet at the sound of "Men of Benedictine."

## Athletic Hall of Fame

The Athletic Hall of Fame pays tribute to graduates, coaches, and administrators for their accomplishments in the field of sports at Benedictine High School and/or after graduation, while reflecting the ideals of Benedictine in striving for that success.
